Subject: Summary of Monthly Meeting on Feb 7.2018 - Revised

Davis,

Attached is a revised summary of our meeting on February 7, 2018. I called Becky shortly after sending the summary and informed her of two minor wording changes that we caught during our QA/QC check. The attached file corrects the mistakes.

Here's a snip of the changes:

- Finalization of Plans: EPA is okay with annotated responses to questions~~comments~~, and then the Pre-RD Group will provide final red-line/strikeout document and a "clean" final document, once EPA questions~~comments~~ have been addressed. EPA and the Pre-RD Group agreed to minimize exchange
